**Course cost \$80 due at the time of registration**

The following documents are required to be completed 2 days prior to the start of class. Personal Data form, BD-1 Form, NDP form and DWI-E Pre Test. If you fail to submit documents, you will not be permitted into class and forfeit your registration fee. Forms will be sent via email once registration is complete to the email address on file.

\*\*\*Per TDLR guidelines, each class requires a minimum number of participants to proceed. This ensures sessions are effective and meet attendees' needs.

If the participant count in a class falls below KEEP Thriving PLLC required minimum of six individuals, you will be automatically moved to the next available class. The new class assignment will be determined based on your previously selected time preference to ensure a seamless transition. This process is designed to minimize any disruption to your schedule while maintaining compliance with participant requirements.
